

Physician Disclosure

Dear Patient,

California Law imposes disclosure requirements for Physicians that have a financial interest in a facility to which they refer patients. In compliance with these laws, please be advised that your doctor has a financial interest in Pacific Heights Surgery Center of San Francisco where your surgery is scheduled to be performed.

If you have any questions regarding the law or if you would prefer that your surgery not be performed at Pacific Heights Surgery Center of San Francisco, please let us know so we can provide answers to your questions or, if necessary, make other arrangements for you.
